Student Success Planning (SSP)

- Based on a school self-reflection, we have identified 2 action steps in our work to interrupt anti-Black racism:
 - Identify opportunities to encourage and listen to student voices regarding anti-Black racism; and plan targeted responses to address concerns
 - Offer opportunities for students of African Descent to come together for social and educational opportunities, support and feedback

Staff Learning

- Professional Learning the morning of April 8th focussed on Black Lives Matter and building a more inclusive learning environment
- Lisa V attended part 2 & 3 of PD sessions on Curriculum Renewal for grade 7&8, which will be implemented in all Halifax Regionals schools Sep 2021

Upcoming Meetings: June 1
